14. In consideration of the foregoing admissions and stipulations, the parties agree that the Board may, without further notice or formal proceeding, issue and enter the following Disciplinary Order:

DISCIPLINARY ORDER

IT IS HEREBY ORDERED that Registered Nurse License No. 693018 issued to Respondent Carlos Hernandez Larranaga is revoked. However, the revocation is stayed and Respondent is placed on probation for three (3) years on the following terms and conditions.

Severability Clause. Each condition of probation contained herein is a separate and

1 distinct condition. If any condition of this Order, or any application thereof, is declared
2 unenforceable in whole, in part, or to any extent, the remainder of this Order, and all other
3 applications thereof, shall not be affected. Each condition of this Order shall separately be valid
4 and enforceable to the fullest extent permitted by law.

5 1. **Obey All Laws.** Respondent shall obey all federal, state and local laws. A full and
6 detailed account of any and all violations of law shall be reported by Respondent to the Board in
7 writing within seventy-two (72) hours of occurrence. To permit monitoring of compliance with
8 this condition, Respondent shall submit completed fingerprint forms and fingerprint fees within
9 45 days of the effective date of the decision, unless previously submitted as part of the licensure
10 application process.

11 **Criminal Court Orders:** If Respondent is under criminal court orders, including
12 probation or parole, and the order is violated, this shall be deemed a violation of these probation
13 conditions, and may result in the filing of an accusation and/or petition to revoke probation.

14 2. **Comply with the Board's Probation Program.** Respondent shall fully comply with
15 the conditions of the Probation Program established by the Board and cooperate with
16 representatives of the Board in its monitoring and investigation of the Respondent's compliance
17 with the Board's Probation Program. Respondent shall inform the Board in writing within no
18 more than 15 days of any address change and shall at all times maintain an active, current license
19 status with the Board, including during any period of suspension.

20 Upon successful completion of probation, Respondent's license shall be fully restored.

21 3. **Report in Person.** Respondent, during the period of probation, shall appear in
22 person at interviews/meetings as directed by the Board or its designated representatives.

23 4. **Residency, Practice, or Licensure Outside of State.** Periods of residency or
24 practice as a registered nurse outside of California shall not apply toward a reduction of this
25 probation time period. Respondent's probation is tolled, if and when he resides outside of
26 California. Respondent must provide written notice to the Board within 15 days of any change of
27 residency or practice outside the state, and within 30 days prior to re-establishing residency or
28 returning to practice in this state.

Respondent shall provide a list of all states and territories where he has ever been licensed as a registered nurse, vocational nurse, or practical nurse. Respondent shall further provide information regarding the status of each license and any changes in such license status during the term of probation. Respondent shall inform the Board if he applies for or obtains a new nursing license during the term of probation.

5. **Submit Written Reports.** Respondent, during the period of probation, shall submit or cause to be submitted such written reports/declarations and verification of actions under penalty of perjury, as required by the Board. These reports/declarations shall contain statements relative to Respondent's compliance with all the conditions of the Board's Probation Program. Respondent shall immediately execute all release of information forms as may be required by the Board or its representatives.

Respondent shall provide a copy of this Decision to the nursing regulatory agency in every state and territory in which he has a registered nurse license.

6. **Function as a Registered Nurse.** Respondent, during the period of probation, shall engage in the practice of registered nursing in California for a minimum of 24 hours per week for 6 consecutive months or as determined by the Board.

For purposes of compliance with the section, "engage in the practice of registered nursing" may include, when approved by the Board, volunteer work as a registered nurse, or work in any non-direct patient care position that requires licensure as a registered nurse.

The Board may require that advanced practice nurses engage in advanced practice nursing for a minimum of 24 hours per week for 6 consecutive months or as determined by the Board.

If Respondent has not complied with this condition during the probationary term, and Respondent has presented sufficient documentation of his good faith efforts to comply with this condition, and if no other conditions have been violated, the Board, in its discretion, may grant an extension of Respondent's probation period up to one year without further hearing in order to comply with this condition. During the one year extension, all original conditions of probation shall apply.

///

1 7: **Employment Approval and Reporting Requirements.** Respondent shall obtain
2 prior approval from the Board before commencing or continuing any employment, paid or
3 voluntary, as a registered nurse. Respondent shall cause to be submitted to the Board all
4 performance evaluations and other employment related reports as a registered nurse upon request
5 of the Board.

6 Respondent shall provide a copy of this Decision to his employer and immediate
7 supervisors prior to commencement of any nursing or other health care related employment.

8 In addition to the above, Respondent shall notify the Board in writing within seventy-two
9 (72) hours after he obtains any nursing or other health care related employment. Respondent
10 shall notify the Board in writing within seventy-two (72) hours after he is terminated or separated,
11 regardless of cause, from any nursing, or other health care related employment with a full
12 explanation of the circumstances surrounding the termination or separation.

13 8. **Supervision.** Respondent shall obtain prior approval from the Board regarding
14 Respondent's level of supervision and/or collaboration before commencing or continuing any
15 employment as a registered nurse, or education and training that includes patient care.

16 Respondent shall practice only under the direct supervision of a registered nurse in good
17 standing (no current discipline) with the Board of Registered Nursing, unless alternative methods
18 of supervision and/or collaboration (e.g., with an advanced practice nurse or physician) are
19 approved.

20 Respondent's level of supervision and/or collaboration may include, but is not limited to the
21 following:

22 (a) Maximum - The individual providing supervision and/or collaboration is present in
23 the patient care area or in any other work setting at all times.

24 (b) Moderate - The individual providing supervision and/or collaboration is in the patient
25 care unit or in any other work setting at least half the hours Respondent works.

26 (c) Minimum - The individual providing supervision and/or collaboration has person-to-
27 person communication with Respondent at least twice during each shift worked.

28 (d) Home Health Care - If Respondent is approved to work in the home health care

1 setting, the individual providing supervision and/or collaboration shall have person-to-person
2 communication with Respondent as required by the Board each work day. Respondent shall
3 maintain telephone or other telecommunication contact with the individual providing supervision
4 and/or collaboration as required by the Board during each work day. The individual providing
5 supervision and/or collaboration shall conduct, as required by the Board, periodic, on-site visits to
6 patients' homes visited by Respondent with or without Respondent present.

7 **9. Employment Limitations.** Respondent shall not work for a nurse's registry, in any
8 private duty position as a registered nurse, a temporary nurse placement agency, a traveling nurse,
9 or for an in-house nursing pool.

10 Respondent shall not work for a licensed home health agency as a visiting nurse unless the
11 registered nursing supervision and other protections for home visits have been approved by the
12 Board. Respondent shall not work in any other registered nursing occupation where home visits
13 are required.

14 Respondent shall not work in any health care setting as a supervisor of registered nurses.
15 The Board may additionally restrict Respondent from supervising licensed vocational nurses
16 and/or unlicensed assistive personnel on a case-by-case basis.

17 Respondent shall not work as a faculty member in an approved school of nursing or as an
18 instructor in a Board approved continuing education program.

19 Respondent shall work only on a regularly assigned, identified and predetermined
20 worksite(s) and shall not work in a float capacity.

21 If Respondent is working or intends to work in excess of 40 hours per week, the Board may
22 request documentation to determine whether there should be restrictions on the hours of work.

23 **10. Complete a Nursing Course(s).** Respondent, at his own expense, shall enroll and
24 successfully complete a course(s) relevant to the practice of registered nursing no later than six
25 months prior to the end of his probationary term.

26 Respondent shall obtain prior approval from the Board before enrolling in the course(s).
27 Respondent shall submit to the Board the original transcripts or certificates of completion for the
28 above required course(s). The Board shall return the original documents to Respondent after

1 photocopying them for its records.

2 11. **Cost Recovery.** Respondent shall pay to the Board costs associated with its
3 investigation and enforcement pursuant to Business and Professions Code section 125.3 in the
4 amount of three thousand four hundred forty-two dollars and fifty cents (\$3,442.50). Respondent
5 shall be permitted to pay these costs in a payment plan approved by the Board, with payments to
6 be completed no later than three months prior to the end of the probation term.

7 If Respondent has not complied with this condition during the probationary term, and
8 Respondent has presented sufficient documentation of his good faith efforts to comply with this
9 condition, and if no other conditions have been violated, the Board, in its discretion, may grant an
10 extension of Respondent's probation period up to one year without further hearing in order to
11 comply with this condition. During the one year extension, all original conditions of probation
12 will apply.

13 12. **Violation of Probation.** If Respondent violates the conditions of his probation, the
14 Board after giving Respondent notice and an opportunity to be heard, may set aside the stay order
15 and impose the stayed discipline (revocation/suspension) of Respondent's license.

16 If during the period of probation, an accusation or petition to revoke probation has been
17 filed against Respondent's license or the Attorney General's Office has been requested to prepare
18 an accusation or petition to revoke probation against Respondent's license, the probationary
19 period shall automatically be extended and shall not expire until the accusation or petition has
20 been acted upon by the Board.

21 13. **License Surrender.** During Respondent's term of probation, if he ceases practicing
22 due to retirement, health reasons or is otherwise unable to satisfy the conditions of probation,
23 Respondent may surrender his license to the Board. The Board reserves the right to evaluate
24 Respondent's request and to exercise its discretion whether to grant the request, or to take any
25 other action deemed appropriate and reasonable under the circumstances, without further hearing.
26 Upon formal acceptance of the tendered license and wall certificate, Respondent will no longer be
27 subject to the conditions of probation.

28 Surrender of Respondent's license shall be considered a disciplinary action and shall

1 become a part of Respondent's license history with the Board. A registered nurse whose license
2 has been surrendered may petition the Board for reinstatement no sooner than the following
3 minimum periods from the effective date of the disciplinary decision:

4 (1) Two years for reinstatement of a license that was surrendered for any reason other
5 than a mental or physical illness; or

6 (2) One year for a license surrendered for a mental or physical illness.

7 14. **Physical Examination.** Within 45 days of the effective date of this Decision,
8 Respondent, at his expense, shall have a licensed physician, nurse practitioner, or physician
9 assistant, who is approved by the Board before the assessment is performed, submit an
10 assessment of the Respondent's physical condition and capability to perform the duties of a
11 registered nurse. Such an assessment shall be submitted in a format acceptable to the Board. If
12 medically determined, a recommended treatment program will be instituted and followed by the
13 Respondent with the physician, nurse practitioner, or physician assistant providing written reports
14 to the Board on forms provided by the Board.

15 If Respondent is determined to be unable to practice safely as a registered nurse, the
16 licensed physician, nurse practitioner, or physician assistant making this determination shall
17 immediately notify the Board and Respondent by telephone, and the Board shall request that the
18 Attorney General's office prepare an accusation or petition to revoke probation. Respondent shall
19 immediately cease practice and shall not resume practice until notified by the Board. During this
20 period of suspension, Respondent shall not engage in any practice for which a license issued by
21 the Board is required until the Board has notified Respondent that a medical determination
22 permits Respondent to resume practice. This period of suspension will not apply to the reduction
23 of this probationary time period.

24 If Respondent fails to have the above assessment submitted to the Board within the 45-day
25 requirement, Respondent shall immediately cease practice and shall not resume practice until
26 notified by the Board. This period of suspension will not apply to the reduction of this
27 probationary time period. The Board may waive or postpone this suspension only if significant,
28 documented evidence of mitigation is provided. Such evidence must establish good faith efforts

1 by Respondent to obtain the assessment, and a specific date for compliance must be provided.
2 Only one such waiver or extension may be permitted.

3 **15. Participate in Treatment/Rehabilitation Program for Chemical Dependence.**

4 Respondent, at his expense, shall successfully complete during the probationary period or shall
5 have successfully completed prior to commencement of probation a Board-approved
6 treatment/rehabilitation program of at least six months duration. As required, reports shall be
7 submitted by the program on forms provided by the Board. If Respondent has not completed a
8 Board-approved treatment/rehabilitation program prior to commencement of probation,
9 Respondent, within 45 days from the effective date of the decision, shall be enrolled in a program.
10 If a program is not successfully completed within the first nine months of probation, the Board
11 shall consider Respondent in violation of probation.

12 Based on Board recommendation, each week Respondent shall be required to attend at least
13 one, but no more than five 12-step recovery meetings or equivalent (e.g., Narcotics Anonymous,
14 Alcoholics Anonymous, etc.) and a nurse support group as approved and directed by the Board.
15 If a nurse support group is not available, an additional 12-step meeting or equivalent shall be
16 added. Respondent shall submit dated and signed documentation confirming such attendance to
17 the Board during the entire period of probation. Respondent shall continue with the recovery plan
18 recommended by the treatment/rehabilitation program or a licensed mental health examiner
19 and/or other ongoing recovery groups.

20 **16. Abstain from Use of Psychotropic (Mood-Altering) Drugs.** Respondent shall
21 completely abstain from the possession, injection or consumption by any route of all controlled
22 substances and all psychotropic (mood altering) drugs, including alcohol, except when the same
23 are ordered by a health care professional legally authorized to do so as part of documented
24 medical treatment. Respondent shall have sent to the Board, in writing and within fourteen (14)
25 days, by the prescribing health professional, a report identifying the medication, dosage, the date
26 the medication was prescribed, the Respondent's prognosis, the date the medication will no
27 longer be required, and the effect on the recovery plan, if appropriate.

28 Respondent shall identify for the Board a single physician, nurse practitioner or physician

1 assistant who shall be aware of Respondent's history of substance abuse and will coordinate and
2 monitor any prescriptions for Respondent for dangerous drugs, controlled substances or mood-
3 altering drugs. The coordinating physician, nurse practitioner, or physician assistant shall report
4 to the Board on a quarterly basis Respondent's compliance with this condition. If any substances
5 considered addictive have been prescribed, the report shall identify a program for the time limited
6 use of any such substances.

7 The Board may require the single coordinating physician, nurse practitioner, or physician
8 assistant to be a specialist in addictive medicine, or to consult with a specialist in addictive
9 medicine.

10 **17. Submit to Tests and Samples.** Respondent, at his expense, shall participate in a
11 random, biological fluid testing or a drug screening program which the Board approves. The
12 length of time and frequency will be subject to approval by the Board. Respondent is responsible
13 for keeping the Board informed of Respondent's current telephone number at all times.
14 Respondent shall also ensure that messages may be left at the telephone number when he is not
15 available and ensure that reports are submitted directly by the testing agency to the Board, as
16 directed. Any confirmed positive finding shall be reported immediately to the Board by the
17 program and Respondent shall be considered in violation of probation.

18 In addition, Respondent, at any time during the period of probation, shall fully cooperate
19 with the Board or any of its representatives, and shall, when requested, submit to such tests and
20 samples as the Board or its representatives may require for the detection of alcohol, narcotics,
21 hypnotics, dangerous drugs, or other controlled substances.

22 If Respondent has a positive drug screen for any substance not legally authorized and not
23 reported to the coordinating physician, nurse practitioner, or physician assistant, and the Board
24 files a petition to revoke probation or an accusation, the Board may suspend Respondent from
25 practice pending the final decision on the petition to revoke probation or the accusation. This
26 period of suspension will not apply to the reduction of this probationary time period.

27 If Respondent fails to participate in a random, biological fluid testing or drug screening
28 program within the specified time frame, Respondent shall immediately cease practice and shall

1 not resume practice until notified by the Board. After taking into account documented evidence
2 of mitigation, if the Board files a petition to revoke probation or an accusation, the Board may
3 suspend Respondent from practice pending the final decision on the petition to revoke probation
4 or the accusation. This period of suspension will not apply to the reduction of this probationary
5 time period.

6 **18. Mental Health Examination.** Respondent shall, within 45 days of the effective date
7 of this Decision, have a mental health examination including psychological testing as appropriate
8 to determine his capability to perform the duties of a registered nurse. The examination will be
9 performed by a psychiatrist, psychologist or other licensed mental health practitioner approved by
10 the Board. The examining mental health practitioner will submit a written report of that
11 assessment and recommendations to the Board. All costs are the responsibility of Respondent.
12 Recommendations for treatment, therapy or counseling made as a result of the mental health
13 examination will be instituted and followed by Respondent.

14 If Respondent is determined to be unable to practice safely as a registered nurse, the
15 licensed mental health care practitioner making this determination shall immediately notify the
16 Board and Respondent by telephone, and the Board shall request that the Attorney General's
17 office prepare an accusation or petition to revoke probation. Respondent shall immediately cease
18 practice and may not resume practice until notified by the Board. During this period of
19 suspension, Respondent shall not engage in any practice for which a license issued by the Board
20 is required, until the Board has notified Respondent that a mental health determination permits
21 Respondent to resume practice. This period of suspension will not apply to the reduction of this
22 probationary time period.

23 If Respondent fails to have the above assessment submitted to the Board within the 45-day
24 requirement, Respondent shall immediately cease practice and shall not resume practice until
25 notified by the Board. This period of suspension will not apply to the reduction of this
26 probationary time period. The Board may waive or postpone this suspension only if significant,
27 documented evidence of mitigation is provided. Such evidence must establish good faith efforts
28 by Respondent to obtain the assessment, and a specific date for compliance must be provided.

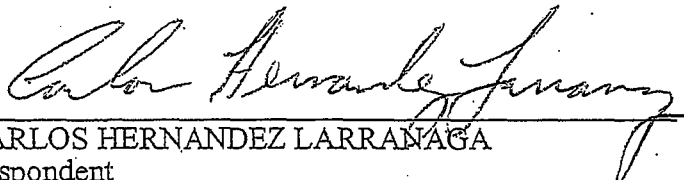

1 Only one such waiver or extension may be permitted.

2 19. **Therapy or Counseling Program.** Respondent, at his expense, shall participate in
3 an on-going counseling program until such time as the Board releases him from this requirement
4 and only upon the recommendation of the counselor. Written progress reports from the counselor
5 will be required at various intervals.

1 **FIRST CAUSE FOR DISCIPLINE**

2 **(Unlawfully Obtaining and Possessing a Controlled Substance)**

3 13. Respondent's license is subject to disciplinary action under section 2761, subdivision
4 (a), and section 2762, subdivision (a), on the grounds of unprofessional conduct, in that on or
5 about December 6, 2010, Respondent admittedly obtained and possessed controlled substances
6 and dangerous drugs, marijuana and methamphetamine. The circumstances are as follows:

7 a. On or about December 6, 2010, Respondent was in possession of marijuana and
8 methamphetamine, and Respondent admitted to smoking marijuana that day. When questioned
9 by police officers, Respondent initially claimed that the methamphetamine was his daughters.
10 However, Respondent later admitted that he smoked marijuana with some methamphetamine
11 while at work during his lunch break with several co-workers at the Los Angeles County
12 University of Southern California Medical Center (USC Medical Center) about two days prior.
13 Respondent also admitted to using narcotics "on and off" since he was sixteen years old.

14 b. On or about December 30, 2010, after pleading guilty, Respondent was placed on
15 deferred entry of judgment for violating Health and Safety Code section 11377(a) [possession of
16 a controlled substance, to wit, methamphetamine] in the criminal proceeding entitled *The People*
17 *of the State of California v. Carlos Hernandez Larranaga* (Super. Ct. Los Angeles County, 2010,
18 No. 0CP11535).

19 **SECOND CAUSE FOR DISCIPLINE**

20 **(Use of a Controlled Substance in a Dangerous Manner)**

21 14. Respondent's license is subject to disciplinary action under section 2761, subdivision
22 (a), and section 2762, subdivision (b), on the grounds of unprofessional conduct, in that on or
23 about December 6, 2010, Respondent admitted to dangerously using marijuana and
24 methamphetamine while on duty as a registered nurse at the USC Medical Center. Complainant
25 refers to and by this reference incorporates the allegations set forth above in paragraph 13,
26 subparagraphs a and b, inclusive, as though set forth fully.
